

Dear Parents/ Carers

I hope you are well. I am pleased to share some of the highlights from this week, here at the Academy.

This Week

Student leadership:

This week students have been voting for their Head Prefects. We have 8 candidates going through the first stage of the process which will follow with interviews in the coming week. We have the students gain the opportunity to vote like they will do as an adult receiving a voting card and casting their vote to who they would like to see represent them.

On Tuesday after school 70 prefects across Year 8,9 and 10 came together to plan their legacy projects they are going to work towards next year. This is across a variety of themes such as Mental health, sport, culture, creative all designed and will be planned and implemented by the prefects. Next week they will be working in their students groups of Anti Bullying Ambassadors, STEM leader, Sports Leaders, Guardian Angels etc to plan to focus for next academic year also.

Careers:

On Thursday a group of Year 10 students took a work experience trip to Aviva studios. They had a tour around the venue, heard from various employees and engaged in a task and had to present back their thoughts and ideas.

Coming Up

Attendance and Punctuality

We have seen an increase in students being late to school. Please may I take this opportunity to remind parents and carers that students are expected to arrive on site by 8.20am. Students who arrive late will enter into late form and students who arrive late more than once in a week will receive a detention on the following Tuesday.

If you are struggling to support your child to attend to attend school on time, please do not hesitate to contact the attendance team.

Year 8 Parents

The immunisation team will be in school on Friday 17th July to offer a catch up session for those Y8 students who did not receive their HPV vaccination last month.

If you have not already done so, please complete the consent link that has been provided by Intra Health or sign and return the paper consent form your child brought home from school.

Additional consent forms can be collected from school if necessary or the immunisation team can be contacted directly on 0333 358 3397.
