## MANCHESTER COMMUNICATION ACADEMY

At Manchester Communication Academy we will deliver excellent provision for our students, their families and community and our staff. We aim to bring equality of educational experience to every student in order to maximise outcomes for all.

Our students will:

- be physically, socially, emotionally safe and healthy
- be asset rich and resilient to the effects of area and personal disadvantage
- make good or better academic progress at each key stage of their education
- be able to secure the employment opportunities of their choice.
- be able to contribute to the community

Our families and the wider community make an important contribution at MCA. They access our outstanding facilities and the diverse programme of social and learning opportunities. Their involvement underpins our community strategy.

Our staff will achieve the highest professional standards, continuously developing their skills and experience through high quality research, training and innovation. We will ensure that their working conditions allow them to be happy and fulfilled at MCA.
