

15th May 2025

Dear Parents and Carers,

We are delighted to be welcoming your child to MCA in September, as they begin the exciting transition from primary to secondary school.

Starting a new school is a significant step, and we are committed to making this transition as smooth and positive as possible for both you and your child. Our team is already busy preparing and meeting with primary schools to ensure your children feel supported, settled, and ready to thrive as they begin this next chapter.

Transition Updates

To help you stay informed, we encourage you to visit the **Transition** section of our school website. (<https://www.manchestercommunicationacademy.com/transition>) There, you'll find useful information, key dates, and a **transition form** to complete if you have any questions or information you would like to share with us. We are always happy to help and keen to learn as much as we can about each student before they arrive.

We are also looking forward to welcoming your child to our upcoming **Transition Days**. These days are a fantastic opportunity for students to meet their new classmates, get to know the school environment, and begin to build confidence ahead of September.

Please see the table below as a reminder of which week your child will come to MCA

We will send out further information about Transition Week itself after the May half term holiday

Kind regards

Jo Peacock

Director of Pastoral Care for Year 7 & Transition Lead
